Listen to the song above. What thoughts and feelings does the song evoke in you? What kinds of images does it conjure up?

Create a lighting design for a space of your choice, inspired by the song. Using the technique of your choice, create an image that illustrates your lighting design. The image can be, for example, a drawing, a painting, a photograph, or a collage combining different techniques. If you wish, you may also use three-dimensional materials or digital image-editing tools. Your sketch may also include text. Be prepared to present your ideas to the jury later.

Submit your plan as a JPEG, PNG, or PDF file. Name the file in the format *lastname_firstname_light_1*.

Evaluation criteria: The applicant's visual expression, breadth of imagination, ability to articulate an experience of light and ambience, ability to communicate artistic thinking, as well as the applicant's ability to follow the given assignment.
